

HWHL is pleased to share with you all the things we are thankful for this holiday season:

PRAISE GOD, we are finally providing care in the Waterfield Primary Health Care Center (WPHCC)!

In September, our business registration and re-accreditation documents were granted for the upcoming year. We hired a Clinical Supervisor, Physician Assistant and Registered Nurse in October, and our laboratory equipment arrived in Liberia ahead of schedule! In the first two months of seeing patients in the WPHCC, we have provided care to a total of 684 women, children and their families!

On November 3rd, the HWHL staff were pleased to host Liberian President Ellen Johnson Sirleaf at the WPHCC for an official dedication of the facility.

Before the end of the year, HWHL will be hiring additional staff to include a Laboratory Technician, Midwife and Janitors.

Heartfelt Thanks!

We would like to recognize Nanci Cole and Theo Kollie for their seven years of service and Kristen Vlaun for her five years of service on the HWHL board of directors. We wish you blessings in your new adventures!
